Dear Valued Client,

It is once again that time of year when you will be renewing your Florida Annual Resale Certificate for Sales Tax. When you receive your DR-13A, please sign it and date it on the bottom right line, and put TruStar Salon Services on the bottom left line. (Believe it or not this is required, having just survived a sales tax audit, this was the one area where they let us slide this year, but specifically noted that in the future if they are not signed, dated and have our company name on them, then they will not be accepted on audit as completed certificates).

Please fax a copy to Bobby Wilson at 954-929-7911.

If we do not have a copy of your new certificate by January 1, 2013, we are required to collect sales tax from you on retail products and send said funds to the State of Florida. We will not be able to refund your money once this has occurred.

Thank you in advance for your cooperation.
